DAHLIAS

SPECIAL WHOLESALE PRICE LIST

1924-1925

ARCHER & VAVRA

P. O. BOX 728

HUNTINGTON BEACH, CAL.

GARDENS LOCATED AT
400 North Marengo, Alhambra, Calif.
Seventh & Main, Huntington Beach, Calif.

This is only a partial list of the Dahlias we are offering for sale this season. Our complete retail catalogue, fully describing approximately five hundred varieties, will be issued about the first of the year.

Six roots of one variety will be furnished at the dozen rate, and twenty-five at the hundred rate; when less than six of a variety are ordered a discount of 25% is allowed from the retail prices noted in this folder. All quotations are f. o. b. Huntington Beach, no charge for packing. Only strong divisions of field grown clumps are offered—exactly the same stock that we use in filling our own retail orders. We do not quote prices on undivided clumps as dug from the fields.

Please send definite instructions when ordering as to how and when shipment is to be made. We do not advise the filling of eastern orders much before April 1st, owing to the danger of freezing enroute. Fall shipments cannot be made as we do not start digging our crop until January 1st. Our customers are strongly urged to place their orders as early in the season as possible to make sure of getting them filled in full. Every year our stocks of a considerable number of varieties are booked up long before shipping actually starts.

While we exercise the greatest care to have our stock true to name, and hold ourselves in readiness, upon proper proof, to replace any found otherwise, we give no warranty, expressed or implied; and it is mutually understood and agreed to between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original purchase price.

The prices quoted in this list are allowed only to those regularly established in any of the Horticultural Trades, so when ordering kindly use your business stationery or state your trade connections in order to avoid any unnecessary delay.
